

REMARKS

Claims 1-19 are amended. Claims 1-19 are pending.

A substitute specification is attached herewith to extensively amend the original PCT application, for example, to add headings and to conform the language of the specification to American English. A marked-up copy of the original PCT application is also submitted herewith, showing the amendments to the specification in red.

The abstract has been amended to be less than 150 words.

The specification has been amended to insert the cross-reference to the priority PCT application, and to add appropriate headings.

The claims have been amended to remove multiple dependencies.

The amendments to the specification, abstract, and claims, including the substitute specification, are based on the international application as originally filed, so it is respectfully submitted that no new matter has been added.

Accordingly, entry and approval of the present preliminary amendment and allowance of all pending claims are respectfully requested.

In case of any deficiencies in fees by the filing of the present preliminary amendment, the Commissioner is hereby authorized to charge such deficiencies in fees to Deposit Account Number 01-0035.

Respectfully submitted,
